"CHINA AT WORK AND AT PLAY" ✓

Powers' Dorsey Educational Split Reel
Released June 17.

©GLM 953 CR
The south of China is a densely populated land, very rich and characterized by thrift and economy of its people. We see the main street of Shanghai, with modern buildings and street-cars. We then see glimpses of the cities of Singapore and Penang. The Chinese have a thoroughly equipped race-track in Shanghai. We also see horse-races in Penang, on the Malay Peninsular.
